#### **Gateway Pregnancy Centers Position on non-violence:**

**Martin Luther King stated: “**

**“Violence as a way of achieving racial justice is both impractical and immoral. It is impractical because it is a descending spiral ending in destruction for all. It is immoral because it seeks to humiliate the opponent rather than win his understanding; it seeks to annihilate rather than to convert. Violence is immoral because it thrives on hatred rather than love.”**

#### **Our Statement Against Violence**

**We oppose any form of violence done in the name of the Pro-Life cause.**

**We believe the very term "Pro-Life" is the antithesis of violence. As Christians, we are called to abhor the sin of abortion, yet to love all of God's people. This is not a love that overlooks wrong. Rather, it recognizes the worth of every individual. Christ died for the born and the unborn alike. If we offer violence and hatred, how are we any different than the rest of the world?**

**If we can offer the love of Christ instead, then we give those that may disagree with us a glimpse of God.**

**"Shouldn't we all take a strong stand against abortion?" Yes, that is absolutely our belief! And to Pro-Lifers around the country, the violence at abortion facilities - the bombings and shootings - is sickening. Yet, that violence no more negates the moral wrong of abortion occurring inside those clinics than the violence of the Civil War negated the moral wrong of slavery.**
